

RESOLUTION 03-33

WHEREAS, the City of Central City, Nebraska recognizes that a properly functioning public water system is necessary to the health and welfare of the citizens of Central City; and

WHEREAS, the Mayor and City Council have determined that portions of the City public water supply system are in need of significant repair and improvement; and

WHEREAS, funding for the cost of the Preliminary Engineering Report and/or other eligible planning grant activities of the City public water supply system may be obtained by grant from the Nebraska Department of Environmental Quality, subject to certain requirements and obligations;

NOW, THEREFORE BE IT RESOLVED by the Mayor and City Council of the City of Central City, Nebraska that they should make application for grant between the Nebraska Department of Environmental Quality through the Nebraska Environmental Partnerships; and

BE IT FURTHER RESOLVED, that Clayton Erickson, Mayor of Central City, is hereby directed to execute the application and all other documents necessary to facilitate the grant between the Nebraska Department of Environmental Quality to the City of Central City, Nebraska for the purpose of planning for the repairing and improving of the City public water supply system; and

BE IT FUTHER RESOLVED, that David Rish, City Clerk, be authorized and directed to sign the payment or outlay request forms, sign all necessary documents to furnish such assurances to the State of Nebraska as may be required by law or regulations, and to receive payment on behalf of the applicant.

PASSED AND APPROVED this 30th day of December, 2003.

Clayton Erickson, Mayor

IN WITNESS WHEREOF, I have
hereunto set my hand and seal this 30th day of December, 2003

David Rish, City Clerk of Central City, Nebraska
