

# **RESOLUTION 2004-1**

## **RESOLUTION OF NECESSITY**

**BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF CENTRAL CITY, NEBRASKA:**

Section 1. That the Mayor and Council deem and hereby declare it advisable and necessary to pass this resolution and to construct enlargements and additions to the existing sewage treatment facility, consisting of the construction of two lift stations and force mains, and find that the said improvements will constitute a general public improvement in said City, which may properly be financed by the issuance of general obligation bonds of said City.

Section 2. That said sanitary sewer improvements outlined above shall be constructed in accordance with the plans and specifications prepared by the special engineers for the Village. Reference is hereby made to said plans and specifications, which plans, specifications and estimate of cost have heretofore been filed with the Village Clerk and are hereby approved and adopted.

Section 3. That the said sanitary sewers to be constructed shall be constructed of a concrete cement pipe, vitrified clay pipe, cast iron pipe, or such other material as deemed suitable and specified by the engineers. The size, location and terminal points of said mains are as follows:

A 6 inch main, commencing at the site of the existing treatment plant of the City, thence proceeding South along the West side of 17<sup>th</sup> Road across the right-of-way of Hord Lake Road, thence East a distance of approximately 2200 feet to the site of the first lift station to be constructed, thence East an additional 1000 feet to the location of the second lift station to be constructed.

Section 4. That for the purpose of the construction of the proposed improvements, there is hereby created in the City a sewer district to be known and designated as Sanitary Sewer District No. 2004-1, the outer boundaries of which coincide with and are the same as the corporate limits of the City.

Section 5. That to pay the cost of the improvements herein provided for, the Mayor and Council will, after such improvements have been completed and accepted by the City, cause to be issued the negotiable bonds of the City to be called 'Sewer Bonds'. All of the said improvements are declared to be general public improvements and not local improvements and for the benefit of all the property in the City. All of said improvements are found and declared to be necessary and proper to furnish a sanitary sewer system for said City.

Section 6. That the engineers' estimate of the cost of such improvements is \$360,000.

PASSED AND APPROVED this 12<sup>th</sup> day of January, 2004.
