RE: GARBAGE RATES

Resolution 2009-17 is being introduced to reflect new garbage rates offered with the Heartland Disposal contract. We have previously charged a \$2.42 billing fee, added to each garbage customer. We pay the hauler for every garbage customer, whether we collect from them or not. The billing fee covers this potential bad debt, along with a list of projects and programs in the Solid Waste department of the City budget. The new rates reflect a billing fee of \$2.55 per month (a 5.3% increase) and an additional \$0.50 fee for each additional service. Additional optional services were not available under the previous contract.

	Old Rate	New Rate	Difference
Basic Garbage	\$15.92	\$11.50	-27.8%
Recycling Tote		\$2.00	
Grass/Leaves		\$3.75	
Additional Totes		\$2.00	

Garbage Rates & Options Announcement

In 2004 the City enacted mandatory garbage pickup for residential customers and established an exclusive contract with a hauler. This was done in response to significant rate increases for our residents. When this was done, all customers saw a \$2.00 per month reduction in their monthly garbage bill.

The City has just entered into a new garbage contract that will allow for another rate cut, and will provide for some new optional services. These include:

- 1) Additional 96 gallon garbage totes for \$2.00 per month per tote
- 2) Free 18 gallon recycling tote upon request.
- 3) 96 gallon Recycling tote for \$2.00 per month
- 4) Grass/Leaves option: The first 96 gallon tote is \$4.25 per month and each additional 96 gallon tote is \$2.00 per month
